March 4, 2022 (Friday)

9:00 am – 12:00 pm

San Francisco, CA

University of the Pacific

Gordon J. Christensen DDS MSD PhD

Every presentation Gordon provides is unique. Each presentation is customized during the meeting itself. Much of what is discussed is extemporaneously provided, and more information is provided on www.pccdental.com. For additional information on any of the following programs, call the numbers at the bottom of this page.

Due to the many questions that come from audiences not planned in the program, copies of slides are not provided. After the presentation, your notes you took during the presentation, help you navigate our websites to locate additional information on any subject discussed today.
